Discipline Procedures

This schedule of sanctions aims to support the provision of education to each student of St. Joseph's Secondary School in an environment that is free of disruption that is safe and allows teaching and learning to proceed in an orderly manner.

Through our Code of Behaviour we seek to foster the values of self-discipline, mutual respect and a sense of social responsibility in all our students.

Discipline in the school is administered after consultation.

Level 1 Breaches are dealt with by the Subject Teacher and an incident sheet is issued.

Level 1 breaches include:

- ❖ not paying attention in class
- ❖ not doing the required homework
- ❖ not having the required books and equipment
- ❖ talking in class which is of a disruptive nature
- ❖ failure to attend class on time
- ❖ use of a mobile phone in class time
- ❖ use of chewing gum on the school premises
- ❖ discrepancies in school uniform
- ❖ Use of a camera phone
- ❖ Use of all other electronic devices in class (e.g.: I-pods, MP3 players etc.)

Where a pupil is found using a mobile phone, the phone will be confiscated until the end of the school day in question or thereafter. (Note: If the camera phone is being used to take an image of /record a member of staff or another student, this will be considered to be a serious breach of discipline).

Minor breaches of discipline will result in the Pupil's name, the breach of discipline involved and the date of same being recorded in an Incident Sheet, with the approval of the Year Head. After four Incident Sheets the Pupil will be detained for specific periods after school hours. A second detention will be imposed after a further four Incident Sheets. At this stage the Parents/Guardians will be invited to the school to meet the Year Head. They will be advised of the consequences if the student's behaviour does not improve.

The student will then be put On Report for two weeks, during which time he/she will be suspended from all extra-curricular activities/trips, and privileges may be withdrawn.

Any teacher may detain a student at break time provided the student has lunch, toilet break, is supervised and parent/guardian has been notified.

If the behaviour is still such that teaching and learning is being hindered, the student will be isolated from the class and placed in a separate classroom, an Isolation Unit where s(he) will work under the supervision of a member of staff on a day-to-day basis, until s(he) is ready to return to class and behave in an acceptable manner.

Should the breaches of discipline continue, the Pupil's name and a summary of the incident will be recorded again and on the third incident the Year Head will contact the Student's Parents/Guardians once again and advise them that the Student may be suspended if there are any further incidents.

If there are further incidents or if matters have not improved and if the situation remains unresolved the Discipline Committee will meet the student and his or her parents or guardians will be asked to attend the meeting. The student will be suspended until such time as the meeting can be convened. The Discipline Committee will consist of a minimum of three of the following: Principal, Deputy Principal, Year Head, Guidance Counsellor and Class Teacher.

All students reporting late are logged on the school VShare system. Eight late entries will constitute a detention.

Level 2 breaches include:

- ❖ Fighting as a result of horseplay
- ❖ Leaving the premises in school time without authorisation/ written permission from home

Where a Student is in serious breach of discipline, the following procedures shall apply:

- ❖ The Pupil shall be informed of the complaint and the Parents/Guardians of the Student shall be contacted immediately and invited to make oral or written representation in relation to the complaint

Expulsion

The Principal may make a recommendation to the Board of Management immediately if an incident of a very serious nature occurs. This includes situations where a student abuses/endangers a member of staff, a fellow student, a visitor to the school or a member of the public either verbally or physically. This also applies in the case of substance abuse.

The Board of Discipline may recommend to the Board of Management that a Student be expelled for gross misconduct and/or for showing repeated disregard of the school rules. The Board of Management shall consider the matters contained in the Discipline Book, the reports from the Teachers involved, together with the report of the Principal Teacher and shall notify in writing the Parents/Guardians of the Pupil of the complaint made against the Pupil and the recommendation, if any, of the Principal on the matter.

In the event that a student is suspended or expelled, it is the policy of St. Joseph's Secondary School to inform parents or guardians of their rights of appeal under the Education Act 1998 and the Education Welfare Act 2000.

The Parent/guardian will have the right to make representations to the Board of Management in support of the student. (A student over 18 years of age may make representations on his/her own behalf).

The Board shall advise the Parents/Guardians and the Pupil concerned of the date and the time of the meeting at which the matter of the complaint and possible expulsion of the Student will be considered.

The Board may, at the request of the Parents/Guardians, postpone the meeting for such period as the Board may decide. Following consideration by the Board of all the relevant circumstances, including the nature of the complaint, the oral evidence and submissions, oral and written, on behalf of the Student, the Board shall decide whether or not the Pupil shall be expelled. Where the Board decides to expel a Pupil, it shall convey its decision, in writing, to the Parents/Guardian without undue delay.
